

David has owned North Hill House Nursing Home since 1994 and has since introduced North Hill Home-care as a community service in 2010.

We try to deliver varied activities to suit everyone's requirements and maintain hobbies and interests. We often have local groups/activities that you or your loved one can join in with if you wish.

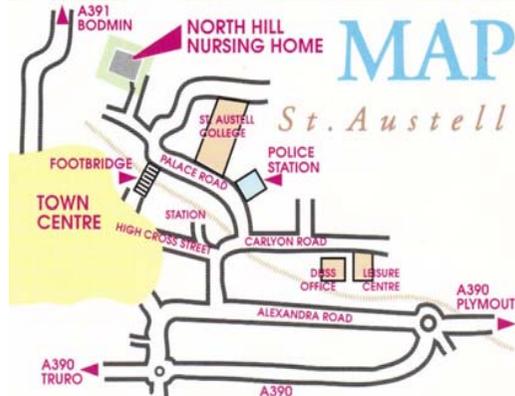

We also run a lunch club every Monday where everyone is invited to join in for lunch in the communal dining room, and can even enjoy a sip of their favourite tippie with their lunch.

At North Hill House we value each individual and are proud of what we do and the high standards of care we provide to our Residents.

We encourage Residents to bring things from home to personalise their rooms.

Our staff have excellent working relationship between themselves and Residents. We value feedback and often have positive reviews from people who use our service and their family and friends.

North Hill House is a 35 bed Nursing Home providing the highest level of care to all of our Resident's. Nursing care and support is provided 24 hours a day, 7 days a week by our dedicated team.

David Smith is the Proprietor of North Hill and he has owned the home since 1994. During this time there have been several extensions which have increased the communal areas throughout the home as well as adding extra rooms with ensuites/ facilities. North Hill is located just up from the Train/Bus station and is a very short walking distance from St Austell town centre.

We have an excellent reputation for providing very high standards of nursing care but most of all we are very proud of the warm, friendly and homely environment we have created here.

There are no visiting hours at North Hill, you are welcome to visit your Relatives/Friends at any time.

Due to Covid 19 we now have visiting by appointment in place.

At North Hill we have our own catering team on-site. We have a varied selection of meals available. We can also adapt the menu to suit any dietary needs. All our produce is seasonal, fresh and sourced locally. The Menu will be brought around to you so you can choose what you would like for your meal.

We have a tea trolley that runs regularly throughout the day, but hot, and cold drinks are available during the rest of the day along with snacks just ask a member of staff and they will arrange this for you.

We can also provide meals for visitors and can cater for special occasions. Please see a member of staff on duty to arrange this.
